Beloved ones of God,

“Sufi Message” is a Message today, being given to humanity.
It is not a Message of the East, but it is the Message of the Soul,
the Spirit.

The Sufi word means wisdom, which comes from the root
“Sofia”. It is the work of that wisdom to give the Message today
to humanity, in order that people may come together in a better
understanding arising beyond the different sections of casts and
creeds which divide mankind.

The “Sufi Message” is an answer to the cry of humanity today;
at this moment, when materialism is all-pervading and
commercialism is continually on the increase.

The “Sufi Message” respects all Religions, recognises all
Scriptures, regards all the Prophets held in esteem by large
sections of humanity, and is the Source and Goals of all “”His
Wisdom in the One”.
